ECOLOGICAL DESIGN AS GARDEN ART
What About Lighting?
“[T]he prevailing response to being in this garden seems to be much more emotional than just aesthetic or intellectual. . . . I don’t mean to wax philosophical here – but it is indeed exciting for us to see firsthand the enthusiastic and quite visceral reactions people have to the surprises and delights they find.”

-Clark Montgomery (June 6, 2011)
It’s still garden design
Formality in the Wild Landscape
